FlexArm

ACCESSORIES

Five FREE Quick Change Tap Holders included with every arm purchase.

Tap Holder Stand

Keep tooling and tap holders handy, clean, and organized.

Horizontal Tapping Adapter

Eliminate material handling by quickly changing from vertical to horizontal tapping.

Automatic and Semi-Automatic Tap Lubrication System

Extend tool life by pumping an adjustable amount of lubrication fluid any time the motor is running.

Automatic Depth Stop

Maintain consistency and improve control.

SERIES	REACH	TAP CAPACITY	MAX TORQUE	SPEED RANGE
