

# Barefoot® GoodtoGo™

## Addressing Dangerous Intersections

Dual-Purpose floor strips with microwave sensors both **slows traffic** and **warns pedestrians**

Highly Effective at Blind Intersections

Lights flash when forklift is approaching

Microwave sensor detects forklifts while filtering people

### Driver Notice

#### Gentle Speed Bump

Speed bump gives a sensory notice to drivers that they are entering a dangerous blind intersection.

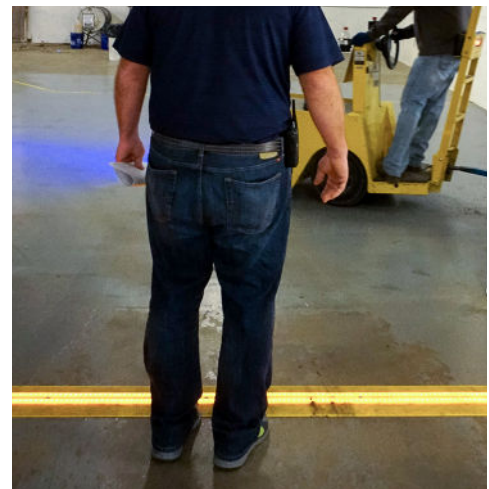

Cargo friendly safe

### Pedestrian Warning

#### Flashing Signal

Flashing signal warns those walking

ADA compliant safe
